GOVERNMENT OF INDIA
TEXTILES
LOK SABHA

UNSTARRED QUESTION NO:1894
ANSWERED ON:27.07.2017
Technology Mission on Cotton
Reddy Shri Ponguleti Srinivasa

Will the Minister of TEXTILES be pleased to state:

(a) whether the Government proposes to revamp Technology Mission on Cotton; and

(b) if so, the details thereof and progress made thereon?

Answer

MINISTER OF STATE FOR TEXTILES
(SHRI AJAY TAMTA)

(a) & (b): The Technology Mission on Cotton was launched in February, 2000 for improving productivity and quality of cotton along with modernization of marketing infrastructure and ginning and pressing factories. The Mission was completed in December, 2010. The feasibility of initiating another Technology Mission on Cotton is under examination.
